

Details:

- Our bookplates are printed 6-up on a Sheet of “Peel and Stick” label stock suitable for imprinting with an inkjet or laser printer.
- The publisher will not split cartons. Please order full carton quantities. Quantities less than full cartons are not available.
- List the names of the individual schools where you’ll distribute the books. (See Page 4). **Be sure to include Pages 3 & 4 along with your check before mailing.**
- Provide at least two club officer contacts should we need to correspond about your order.
- Payment in full with a club check must accompany your order.
- Allow approximately 7-10 **business** days for delivery.

The prices on this order form are subject to change so please do not save forms from year-to-year. Prior to placing your order, be sure to download a current form from our web site: www.RotaryLiteracy.com

The Rotary District 6110 Foundation is recognized by the U.S. Internal Revenue Service under provisions of section 501 (c) (3) as a charitable organization. Copy available upon request. Contributions are fully tax deductible. Revised 6/10/05.

Standard Bookplate labels

Not actual size.

Our goal is to present a personalized dictionary to every student. Children find that it's “pretty neat” when we take the time to learn their names, print a bookplate, and present them with their own personalized dictionary. The lower portion of each bookplate label includes Rotary’s Four-Way Test. Our www.RotaryLiteracy.com website has simple, easy to follow instructions on how to imprint the bookplates using the Microsoft Excel files that you request from the school(s). Our bookplates are suitable for personalizing ALL books and are compatible to print with either your ink-jet or laser printer. Die-cut labels 6-up per sheet.

Bookplate labels will ship separately from the books ordered.

Price for 6-labels up per sheet: **\$1.50**
